

NLN

National League
for Nursing

Our First NLN Immersion in Evidence-based Nursing Education was a huge success!

Don't miss the Second Immersion, which will be held at the University Conference Center and Hotel in Indianapolis on the IUPUI Campus.

Plan to take the week of June 8-12, 2008 for a personal immersion experience designed to enhance your professional growth and renew your spirit, as you dialogue with a group of distinguished faculty and network with your peers.
